

MEMBER'S CERTIFICATE

To whom it may concern

The Namibia Charcoal Association (NCA) confirms that **DHG Vertriebs & Consultingges. mbH** is a member of the NCA.

The Namibia Charcoal Association is an independent association representing the major players in the charcoal industry in Namibia.

The main objective is to serve the charcoal industry in Namibia through the creation and promotion of strict charcoal standards amongst all farmers and producers including standards on environment and socio-economic levels.

The social aspect strives to achieve a standard that incorporates fair practises for labour in the form of fair compensation along with safe working and living conditions based on FSC standards.

The environmental standards are designed according to FSC forestry standards and guidelines adapted for the Southern African charcoal industry.

Implementation of the above standards and procedures is done according to the rules and laws of Namibia.

Registered processors at the Namibia Charcoal Association pay an amount of N\$ 10-00 per ton in respect of levies. This amount is then transferred to the Namibia Charcoal Association.

Proof of payment accompanied by a summary of levy deductions are forwarded monthly to the Namibia Charcoal Association, roelien.coffee@ncanamibia.com, on or before the 7th day of each month.

The bank details are as follows:

Bank name: Bank Windhoek

Branch name: Otjiwarongo

Branch code: 481-573

Account no: 800 558 7195

After the summary and proof of payment is received by the office, an invoice is forwarded to the processor for bookkeeping purposes.

For more information regarding this matter, please contact our office.

Kind regards
